Dear Signor Bossi

I am sure you will be glad to hear that we reached home quite safely, & that Mr. Bernard Shaw was not at all the worse for the journey. Also the beautiful vase is here, looks very nice & gives me great pleasure!

We were very happy in your delightful home, & our stay at Stresa did us both much good. We hope to be there again on a future occasion.

With kind remembrances from us both to you all

Yours sincerely
C.F. Shaw.
